 - e) Promote SPF (sustainability projects fund)

Target problem	Proposed Solution	Notes
Food waste	<p>In coconut: Proper signage possible volunteers from zero waste</p> <p>Long-term: Bring your own mug</p>	Proposed venue for organic disposal = the farm Alaina

	Order appropriate amounts of food	
Waste	<p>Packaging waste: Encourage bring your own utensils to our events</p> <p>Transition to reusable food service ware</p> <p>Only purchase materials that can be reused for many years or shared with other groups. Avoid materials that will be disposed of after the event</p>	

3) Elections

- a) Need advertising for voting party on the 13th today!
- b) Have a social with old and new (execs and general)
 - i) Hike? (Time demanding and cold)
 - ii) Dinner at Gallery
 - iii) Early December, late November

4) Lounge key?

- a) Nicole still waiting for Building ops
- b)
- c) Wood furniture contest
 - i) All of us should go and choose the best at the end of this term
 - ii) Could be a long-term project and make stuff for UBC or other constituencies that are reforming their lounges
- d) Wellness week
- e) People overwhelmed with posts and events on fb and happening around the faculty
- f) Organizers also too busy
- g) Collabs can help spread out the business
- h) Events in collab with other sustainability groups on campus (common-energy, wildlife, sierra club student org, SEC (for funding), etc)
 - VP External is the one responsible for this sustainability communication
 - also CIF and ABCFP rep under them too, instead of Academic

- Update this in Constitution and position descriptions
 - Each person update the position, include goals or things that should continue
 - VP Media
 - People who organize the events should write the blurbs and make their own graphics and then send it to VP Media
 - But Fb page should be managed by only VP Media
 - Create a marketing strategy (schedule) for future FUS
 - What we did and when, how much it cost, etc
 - Plan for the year
 - Budget, promoting, etc
 - Also, this will help with sustainability
- 5) Set up a signup for a Forestry Digest version for FUS
 - a) How often? What kind of content?
 - b) An events calendar for the month?
- 6) Diversity Crew
 - a) Latin Night success
 - i) People complaining about noise when they want to study for midterms
 - (1) Work on timing
 - b) Graduate panel discussion event - next meeting Monday
